## **How do you help students who are struggling?**

In leadership we teach the students that this is a safe place to express ourselves and do many workshops to build self esteem.

## **What opportunities are provided for enrichment?**

Enhancement occurs through skills learned in this course, such as:

- Realize the importance of self esteem and use this knowledge to become effective leaders. Develop into sensitive listeners and utilize effective communication skills.
- Acquire basic organizational and meeting skills and use these skills in planned events at the school and in the classroom.
- Develop independent research and study skills.

## **What resources are used for this subject?**

We use both technology and actual every day materials which are supplied by the school to plan our events and turn them into a reality.
